

# Metal Fabricator

Heavy Industries is currently seeking a talented Metal Fabricator/Welder with a minimum of five years of experience to join our fabrication department. Wage will depend upon the level of experience and responsibility.

## ABOUT HEAVY INDUSTRIES

Heavy Industries has been beautifying the built world since 2003. As a custom fabricator based in Calgary, Heavy Industries has manufactured and installed some of Canada's best known public art sculptures and most complex architectural projects. Through technology, experience, and expertise, Heavy Industries has become a single source for designing, fabricating, and installing sculpture and custom features for artists, architects, and design professionals. In our world, iconic designs and creative places are built without compromise.

## QUALIFICATIONS

- CWB certifiable in SMAW all position.
- Fall Arrest training an asset.
- Must be of good Physical condition and have ability to work at heights.
- Must be proficient with using an oxygen acetylene cutting torch.
- Experience operating a forklift and telehandler.
- Experience operating an aerial platform.
- Experience with rigging and hoisting operations.
- Proven shop and field fitting and fabrication experience.
- Ability to work autonomously from shop drawings.
- Must be detail oriented and good at layout and measuring.
- Team player and safety oriented.
- Valid driver's license.
- Experience in complicated bolt up operations.
- Must be talented and quality oriented.

## RESPONSIBILITIES

- Read and follow complicated designs and shop drawings.
- Weld, fit, cut, grind and finish steel and aluminum.
- Climb, rig, hoist and bolt up complicated steel and aluminum assemblies from heights.
- Operate heavy machinery such as Tele-handler, Forklift, Scissor Lift/Man lift and Spider Crane.
- Work with other departments such as concrete, painting, sculpture and carpentry.
- Work autonomously and sometimes with direct supervision.

## OTHER REQUIREMENTS

- Must have a rolling toolbox with an inventory of tools.

## WHAT IS IN IT FOR YOU?

Job Satisfaction:	You will get to directly participate in some of Canada's most interesting (and high profile) creative construction and art projects.
Job Variation:	You will never get bored in this fast paced environment. Every project is different and every day comes complete with its own unique challenges and problems for you to solve.
Job Opportunity:	You will be exposed to opportunities to grow and develop our relatively young business into one of the world's premiere manufacturing companies. We have not plateaued and do not plan on doing so any time soon.
Culture:	You will get to work with fun, dynamic and highly skilled people that are driven to succeed.
Remuneration:	You will be paid relative to the experience you bring and your accomplishments; you will be rewarded with company success. You will get plenty of vacation, and be added to our benefits program.

If this sounds like the right opportunity for you, please send your resume to [careers@heavyworld.ca](mailto:careers@heavyworld.ca) with "Welder Fabricator" in the subject line. Please also include a cover letter. Resumes without cover letters will be rejected.
