

# Carpenter

Heavy Industries is looking for a carpenter to join our carpentry department.

## ABOUT HEAVY INDUSTRIES

Heavy Industries has been beautifying the built world since 2003. As a custom fabricator based in Calgary, Heavy Industries has manufactured and installed some of Canada's best known public art sculptures and most complex architectural projects. Through technology, experience, and expertise, Heavy Industries has become a single source for designing, fabricating, and installing sculpture and custom features for artists, architects, and design professionals. In our world, iconic designs and creative places are built without compromise.

## QUALIFICATIONS/REQUIRED KNOWLEDGE & SKILLS

- 5+ years' experience
- Familiarity with construction and/or custom fabrication processes
- A portfolio of work that may include high quality furniture, veneering or laminating, custom joinery, jig and template building or artistic woodworking
- Proficiency using an array of specialised power tools, machines, and hand tools
- Must be able to read and interpret shop and construction drawings
- Artistic background an asset
- High attention to detail
- Site experience an asset
- Good organizational and time management skills
- Motivated, hardworking and able to work in a fast pace environment
- Team player and safety oriented
- Standard personal tools required
- Valid safety certificates such as: Fall Arrest, WHMIS, First-Aid, Crane Operator Certificate, Forklift Operator Certificate recommended
- Valid driver's license & own vehicle

## RESPONSIBILITIES

- Read and interpret drawings
- Site work required
- Production of carpentry-related projects, both as finished pieces and sub-assemblies
- Working from shop drawings to build one-off custom pieces in an array of materials

- Assembly of custom pieces that require careful attention to detail
- Creating custom formwork for the architectural concrete department
- Travelling to installs for work both locally and abroad
- Adhering to production schedules, tracking efficiency and pro-actively estimating resource requirements to meet timelines
- Acting as a mentor for those of lesser experience
- Provide basic carpentry tools for use on site. (Drill/ tape measure/hammer)

## WHAT IS IN IT FOR YOU?

**Job Satisfaction:** You will get to directly participate in some of Canada's most interesting (and high profile) creative construction and art projects.

**Job Variation:** You will never get bored in this fast paced environment. Every project is different and every day comes complete with its own unique challenges and problems for you to solve.

**Job Opportunity:** You will be exposed to opportunities to grow and develop our relatively young business into one of the world's premiere manufacturing companies. We have not plateaued and do not plan on doing so any time soon.

**Culture:** You will get to work with fun, dynamic and highly skilled people that are driven to succeed.

**Remuneration:** You will be paid relative to the experience you bring and your accomplishments; you will be rewarded with company success. You will get plenty of vacation, and be added to our benefits program.

If this sounds like the right opportunity for you, please send your resume to [careers@heavyworld.ca](mailto:careers@heavyworld.ca) with "carpenter" in the subject line. **If you have portfolio of your work please include it in your submission**
