

Paint & Coatings Specialist

Heavy Industries is seeking a Paint & Coatings Specialist to join our Coatings department as soon as possible.

ABOUT HEAVY INDUSTRIES

Heavy Industries has been beautifying the built world since 2003. As a custom fabricator based in Calgary, Heavy Industries has manufactured and installed some of Canada's best known public art sculptures and most complex architectural projects. Through technology, experience, and expertise, Heavy Industries has become a single source for designing, fabricating, and installing sculpture and custom features for artists, architects, and design professionals. In our world, iconic designs and creative places are built without compromise.

QUALIFICATIONS

- Extensive knowledge of the properties and use of paints, industrial coatings, finishes and specialty coatings
- Knowledge of advanced application techniques
- General knowledge of polyurethane, fabrication, and paint equipment
- Technical training for specialty coatings and paints
- 5+ years' experience working with speciality coatings and paints
- Journeyman Painter will be given preference
- Ability to work from shop drawings required
- Airbrushing, auto body, artistic paint experience an asset
- Team player and safety oriented
- Valid safety certificates such as: Fall Arrest, WHMIS, First-Aid, Crane Operator Certificate, Forklift Operator Certificate recommended
- Valid driver's license & own vehicle

RESPONSIBILITIES

- Review & comprehend drawings/instructions (Traveller)
- Applications of paint and various industrial coatings at a high quality
- Product Finishing and paint preparation (sanding, masking)
- Ensure application of all coatings and paints meet job requirements & Heavy's quality standards
- Making recommendations regarding suitable coating materials, and applications
- Regular equipment maintenance such as the HVLP Spray gun
- Staying informed of new materials, techniques, and applications
- Ensuring your department is kept clean at all times

WHAT IS IN IT FOR YOU?

- Job Satisfaction:** You will get to directly participate in some of Canada's most interesting (and high profile) creative construction and art projects.
- Job Variation:** You will never get bored in this fast paced environment. Every project is different and every day comes complete with its own unique challenges and problems for you to solve.
- Job Opportunity:** You will be exposed to opportunities to grow and develop our relatively young business into one of the world's premiere manufacturing companies. We have not plateaued and do not plan on doing so any time soon.
- Culture:** You will get to work with fun, dynamic and highly skilled people that are driven to succeed.
- Remuneration:** You will be paid relative to the experience you bring and your accomplishments; you will be rewarded with company success. You will get plenty of vacation, and be added to our benefits program.

If this sounds like the right opportunity for you, please send your resume to careers@heavyworld.ca with "Paint & Coatings Specialist" in the subject line.
